

SPEC SHEET

4" LED Recessed Can Light Kit - IC Airtight

- Modern Design
- Energy Efficient
- Easy to Install

STDC-LEDRA4

Description

The 4" LED Recessed IC Can Light Kit is high quality, light weight, and ideal for trade show applications. Airtight construction reduces energy costs by reducing the amount of air escaping through the ceiling. Rated for direct contact with insulation and combustible materials, Step 1 Designs Remodel IC housings install into existing drywall or wood ceilings with no above access.
