<b>Dimmable:</b>	Yes, with Dimmable Driver
<b>Lifespan:</b>	± 30,000 - 50,000 hours
<b>Installation:</b>	Adhesive Back Tape
<b>Power Supply:</b>	24v DC Driver
<b>Environment:</b>	Indoor Dry Location
<b>Labels &amp; Listing:</b>	UL Listed
<b>Required Items:</b>	STVOFLCON Power Feed 24v DC LED Driver

**STVOFLCOND12**  
24V LED Flexible Tape Light DC Power Feed

- Length: 24"

**STVOFLCON**  
24V LED Flexible Tape Light Hardwire Power Feed

- Length: 24"

**STVOFL12**  
24V LED Flexible Tape Light Joiner

- Length: 12"

**STVOFL06**  
24V LED Flexible Tape Light Joiner

- Length: 6"

**STVOFLT-X**  
24V LED Flexible Tape Light X-Connector

- Can be modified to use as an X or T Connector (field cuttable)
- 1x Female and 3x Male

**STVO12-T**  
LED Flex Tape T Connector

- T Connector allows users to connect 3 pieces of LED Tape Light together without the hassle of solder or hard wire.

**STDC-DC-ADPF**  
Female DC Hardwire Adapter Plug

- Available in 2.1mm or 2.5mm

**STDC-DC-ADPM**  
Male DC Hardwire Adaptor Plug

- Available in 2.1mm or 2.5mm

**STVOFLYCON**  
LED Flexible Tape Light Y-Connector DC Power Feed

- Simply plug 2, 3, or 5 way Y Connector in the male end of your power supply to the female ends of the Y-Connector Power Feed.

**STVOFLCOND**  
Male - Female DC Extension Cable

- 2.1 mm Male-Female DC
- Lengths: Available in 3', 8', or 10'

**STVOFLCOND**  
Male - Male DC Extension Cable

- 2.1 mm Male-Male DC Extension Cable
- Length: 8'

**STVOFLSWC**  
LED Flexible Tape Light In-Line Power Switch

- Easily power on/off 24V LED Tape with this in line switch.

**STDC-IL-DIM**  
In-Line Knob Dimmer Switch

- Available in White or Black Finish
